

LED Suspended Luminaire

AERIS Series | LED Suspended Linear Panel Light, ASLP114B-11, 60W

Description:

The AERIS Series is a modern family of architectural LED track panel lights or suspended linear panel lights designed for retail, showroom, office and commercial environments requiring high visual comfort and clean architectural integration. Available in both integrated in-track-mounted and suspended installation versions, the series combines the flexibility of track lighting with the uniform illumination of linear panel luminaires. Slim aluminum housings, minimalist geometry and high-quality optical systems create a refined lighting solution suitable for contemporary interiors.
